Dear K. Srinivasan

I have not forwarded my name for this year's Dushera celebrations at Mysore, because I have been given to understand that I shall automatically receive an invitation together with my family. I would however be grateful if you could also include the officers who are at the Staff College, Wellington, from foreign countries. I attach their names herewith.

P.T.O

The memory of such an occasion will thus be carried to friendly countries, and I am sure our visitors will appreciate the consideration shown to them. These officers are here for a year only. We too send our officers to their countries, and from all of them we have received the greatest respect and courtesy. I shall be grateful if you could help us reciprocate.

Kindly forgive me if I note the previous letter addressed to the Hon'ble Chief Minister. The 25th/27th left me [illegible] to reply to your kind letter dated 20/9/50. I had no reason to expect a reply to mine, but only I now feel that I can be certain. My dear Shri Reddigaru,

While talking with Mr. Ferguson of the Westing House the other day, a thought struck me that we might possibly invite for the Dasara both Mr. Ferguson and Shri M.G. Lakshminarasu. It would be a fitting recognition of the services rendered by the Westing House to us so far and an appreciation of the services we expect of them in future. If this idea commends itself to you, I hope it will, may I suggest that they might be invited for the Dasara as State Guests?

A question has been raised as to what rank in the Warrant of Precedence should be accorded to ex-Governors-General, ex-Governors and ex-Ministers of the Union and States of India.

2. There is no necessity, nor is it desirable, to include them in the Warrant of Precedence which should be strictly confined to officials. Ex-Governors-General, ex-Governors and the ex-Ministers should be treated as non-officials, who, having no particular place in the Warrant may be placed anywhere, according to their general status or position in life. This has to be decided for each occasion. A non-official may take precedence over any official, however, high his position in the Warrant of Precedence.
